

Transportation & Services

The Daytona Beach Area is easily accessible to FIT's or group business by air or ground transportation. Traffic is well managed and it's easy to get around even in the busiest season.

We're extremely proud of the Daytona Beach International Airport located just 4 miles from the area's beautiful oceanfront. Please refer to the Transportation Section page 34 of the enclosed Visitors Guide for more information on our airport as well as the Jacksonville International Airport, Orlando Sanford Airport and Orlando International Airport.
